

Interview Summary

Applicants thank Examiner Egwim for the courtesy of discussing this matter by telephone on June 17, 2010 with Applicants' Attorney, Brian H. Batzli (Reg. No. 32,960). The Preliminary Amendment filed April 10, 2006 was discussed. It was agreed that submission of a new claim set would clarify the record and insure that the claims as amended during the PCT process (and in the Preliminary Amendment) were examined. Examiner Egwim agreed that this would satisfy the Notice of Non-Compliant Amendment.
